

**ASTRONAUT
FRANK CULBERTSON**

Frank Culbertson

FRANK CULBERTSON

STS-38, STS-51, STS-105,
STS-108, EXP 3

EXPERIENCE THAT HELPED AS AN ASTRONAUT

Being assigned to a duty station I didn't want in the Navy and learning how to excel at it anyway and realizing that it was great prep for other challenges...and learning the patience required to do that.

Excel at what you love doing
and do good things!
