

**ASTRONAUT  
ROBERT CURBEAM**

*Robert Curbeam*

**ROBERT CURBEAM**  
STS-85, STS-98, STS-116

MOST IMPORTANT ATTRIBUTE

**Patience.** The ability to work well with others, learn the craft, wait until it's your turn to fly and representing NASA well.. all stems from the ability to be patient.

If you don't leave this planet being a conservationist, you certainly will come back one.
