

**ASTRONAUT
BRIAN DUFFY**

Brian Duffy

BRIAN DUFFY

STS-45, STS-57, STS-72,
STS-92

BEST ADVICE GIVEN

Roger Zweig was the flight safety officer for JSC in 1985, his advice was, “You’ve made it.. you’ve proven yourselves.. you no longer have to impress anyone, **so don’t do anything stupid.**” Great advice for a long and successful Astronaut career.

Sharing the Space Experience.
